Runnymede St Edward's School: Mission Statement

'Inspire, Challenge, Support through Faith'

Children's Mission:

Into your hands Lord, we put each day
all that we do and all that we say

Child Protection Statement:

Runnymede St Edward's School is committed to safeguarding children and promoting children's welfare and expects all staff, governors, volunteers and visitors to share this commitment and maintain a vigilant and safe environment. Everyone has a responsibility to act without delay to protect children by reporting anything that might suggest a child is being abused or neglected. It is our willingness to work safely and challenge inappropriate behaviours that underpins this commitment. The school seeks to work in partnership with families and other agencies to improve the outcomes for children who are vulnerable or in need.

Runnymede St Edward's School follows guidelines laid down by the **Liverpool Safeguarding Children Board** (LSCB: www.liverpoolscb.org) and **Keeping Children Safe in Education 2018** (www.gov.uk)

School Aims:

Faith

To encourage and foster the spiritual growth of all and to make prayer an integral and enjoyable experience in our daily life.

Individual Opportunities for Learning and Growth

To provide experiences that broaden, enrich and extend the skills, talents and values of each member of the school community. We are an inclusive school and pupils with additional needs or for whom English is an additional Language are fully supported to enable them to achieve their potential.

Relationships

To provide a safe, caring and welcoming environment within which all are treated with respect, courtesy and kindness. Runnymede St Edward's School upholds British values and encourages respect for all.

School and Wider Community

To foster a spirit of co-operation and friendship between home, school and the wider community.

Runnymede St Edward's School is built on the tradition of our founders, the Congregation of Christian Brothers. Based on their vision, Runnymede is a place in which individuals can develop fully, contributing as happy and caring members of a school community. Children's unique talents are valued, and they learn to live as well-mannered, self-disciplined and confident individuals.

1 Introduction

- 1.1** Runnymede has elected to adopt the DCE document Health and Safety of Pupils on Educational Visits – A Good Practice Guide. This document supplements that guide by outlining appropriate procedures for taking pupils on school day visits and residential trips. It offers advice to teachers and NNEB's and should be read by all staff before undertaking a school visit or trip. This document does not seek to replace other professional guidance or regulations, colleagues should always seek permission from the Headteacher who is also the Trips Co-ordinator when planning a trip.

2 The Nature and Purpose of Educational Trips

- 2.1** Pupils benefit from taking part in visits with their school.
- 2.2** They have the opportunity to undergo experiences which are not possible within the classroom or school environment.
- 2.3** Short day trips develop a pupil's investigative skills while a longer trip encourages greater independence.
- 2.4** These guidelines are written to help teachers to ensure that pupils stay safe and healthy on school visits.
- 2.5** All staff are expected to endorse the educational value of activities outside the classroom and suggestions for new trips are always welcomed and considered.
- 2.6** Visits currently undertaken cover a range of day visits to local attractions, events, exhibitions, musical and sporting events as well two residential visits, one in Year 5 and the other in Year 6.

3 Statutory Requirements

- 3.1** Most school trips take place without incident due to the careful planning and teacher's already high level of safety awareness.
- 3.2** There have been incidents in other settings which have led to a growing concern amongst school staff and parents about further ensuring the safety of pupils on schools visits.
- 3.3** The DFE document provides guidance and useful checklists to formalise procedures when planning a trip.
- 3.4** Accidents do happen but good planning and attention to safety measures can reduce the number of accidents and lessen the seriousness of those that do happen.
- 3.5** **Safety is our top priority.**
- 3.6** All staff are appropriately qualified and hold a valid First Aid Certificate and therefore capable of providing first aid treatment should this be necessary. On visits of children in the Early Years Foundation Stage a member of staff with a valid Paediatric qualification must attend all visits.

4 Responsibilities for Visits

- 4.1** Under the Health and Safety at Work Act 1974 employers are responsible for the health, safety and welfare at work of their employees.
- 4.2** The employers are also under a duty to ensure, so far as is reasonably practicable, the health and safety of anyone else on the premises or anyone who may be affected by their activities.

- 4.3** This includes off-site visits.
- 4.4** The governors or trustees are the employers at Runnymede as it is an independent school.
- 4.5** At Runnymede it is expected that any member of staff planning a trip should:
- Assess the risks of activities
 - Introduce measures to control those risks including First Aid
 - Inform the Headteacher about these measures
 - In addition in line with Health and Safety legislation staff should:
 - Take reasonable care of their own and others health and safety
 - Co-operate with their employers over safety matters
 - Carry out activities in accordance with training and instructions
 - Inform the employer of any serious risks
- 4.6** These duties apply to all school visits.
- 4.7** Teachers and NNEB's also have a common law duty to act as any reasonably prudent parent would do in the same circumstances (Loco Parentis).
- 4.8** Providing reasonable care has been exercised and the guidelines followed the employer will always support staff in the unlikely event of an accident occurring.
- 4.9** Insurance cover is organised on an annual basis and details of this are available on the staffroom notice board to assist with the completion of forms. Where staff may very occasionally be required to transport a pupil in his/her car, valid insurance must cover them for 'social and business use'.
- 4.10** This policy and attached model forms will form Runnymede's procedures in relation to all school trips.
- 4.11** Forms and checklists should be completed and the Headteacher's approval must be obtained before a trip takes place.
- 4.12** The Headteacher must gain approval from the Governing Body for all Residential Trips.
- 4.13** In arranging trips all staff should complete the following as appropriate:
- Discussing preliminary plans, details, dates with Headteacher
 - Calculate supervision ratios –adult to pupil ratios
 - Decide on transport and consult with Admissions & Marketing Manager for costs and book once confirmed
 - Prepare fully inclusive costs for the visit
 - Prepare risk assessments
 - Consult with Headteacher over staff participating on the trip and the use of parent helpers and appropriate DBS checking and vetting. This is particularly important for visits which include an overnight stay.
 - Carry out preliminary visits if the site is not known and has not been visited before
 - Ensure First Aid cover and equipment is available
 - Complete final approval forms at least 7 days in advance of a day trip and 3 weeks in advance of residential visit noting Insurance details.
 - Arrange meetings with parents over residential trips and set up deposit and regular payment schedule
 - Inform parents by letter of the visit and request payment and consent

- Collect payments and liaise with Financial Administrator over banking of payments
- Brief the pupils about the visit and its purpose, the details and our expectations of them
- Ensure health lists are consulted and all medical/SEN requirements are known to all staff participating on the trip
- Book packed lunches from Sodexo as required
- Ensure all emergency contact details are available to relevant staff including emergency treatment information
- Use wrist bands on the day of the trip
- Leave details of mobile phone contact with Headteacher and office staff or take the school mobile
- Ensure all consents have been obtained from parents(including permission for emergency treatment if the parents cannot be contacted) and payments made

4.14 On the day of the trip/residential visit

- Carry out head count at regular appropriate intervals
- Apply appropriate staff to pupil ratios
- Check use of seat belts
- Use wrist bands and collect packed lunches
- Ensure appropriate standards of behaviour
- Take any necessary equipment including any necessary medicines
- Report to Headteacher on a daily basis
- Ensure accommodation is as agreed and appropriate, checking Fire Exits etc
- Utilise the support of the centre should a child or member of staff become ill and contact school
- Follow emergency procedures as defined in the First Aid Policy
- Contact school to advise of return time – especially important if there is a likely delay

4.15 After the visit

- Return the school mobile
- Complete the evaluation form
- Return any equipment used
- Place any photographs taken on central resource area and update website with report

- 5 **RATIOS – these are to be used as a guide.**
Actual ratios for each trip must be discussed with the Headteacher on each occasion.

Staff pupil ratios to be used at Runnymede are as follows:

Year Group	Ratio
EYFS 1 & 2	1 : 4
Year 1 – 3	1 : 6
Year 4 – 6	1 : 12
50% of the adults must be employed by the school	

Staff planning any trip can consult with the Headteacher at any time over preparations and regular training updates will be provided to all staff via directed time staff meetings
